HOW TO BE A GOOD NEIGHBOR

1 INTRODUCE YOURSELF

Say hello, offer a welcome gift and share or ask about the local areas.

2 MANAGE YOUR TRASH

Only put your trash out on pick-up day and return it to your home the same day.

3 PRACTICE PARKING ETIQUETTE

Do not block anyone's access or force them to pull out of a very tight spot. Make sure not to shine lights into windows or slam doors at night.

4 TAKE CARE OF YOUR PETS

Keep your pet leashed or on your own property. Make sure to clean up after your pet and try to be conscious of excessive barking or whining.

5 COMMUNICATE

Touch base with your neighbors regularly and keep them in the loop.

6 KEEP YOUR YARD TIDY

Mow your lawn regularly and keep your flowers, trees, and bushes trimmed appropriately.

7 BE HELPFUL AND WELCOMING

Help shovel walkways and rake leaves. When someone new moves in, welcome them!
