## Project Overview:

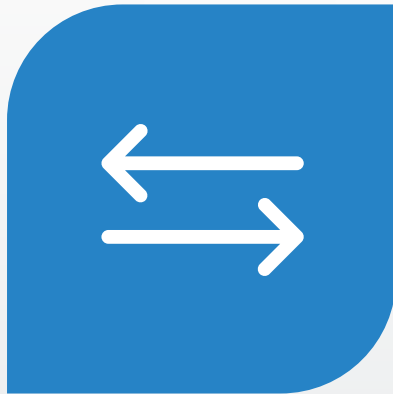

---

The Helping House offers an extensive resource center where individuals can access various non-perishable food items and hygiene products.

In addition to these resources, The Helping House features an information board that serves as a hub for community news and events.

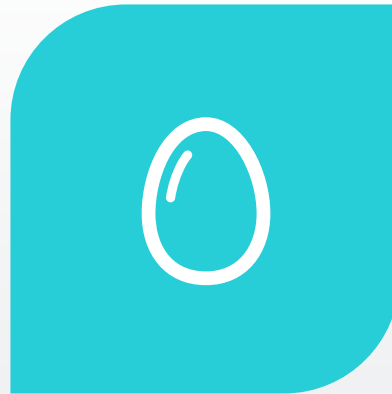

# Project Idea:

---

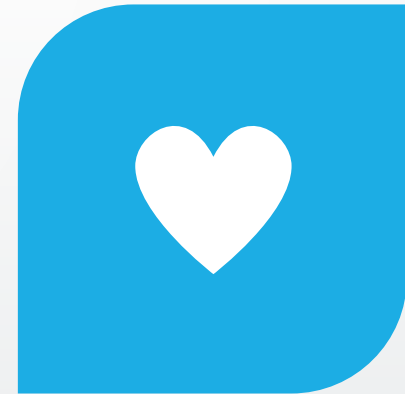

## **TAKE & REPLACE**

Take what you need, replace with an item.

## **MISSING INGREDIENTS**

Items for those who need ideas on what to cook / missing an ingredient.

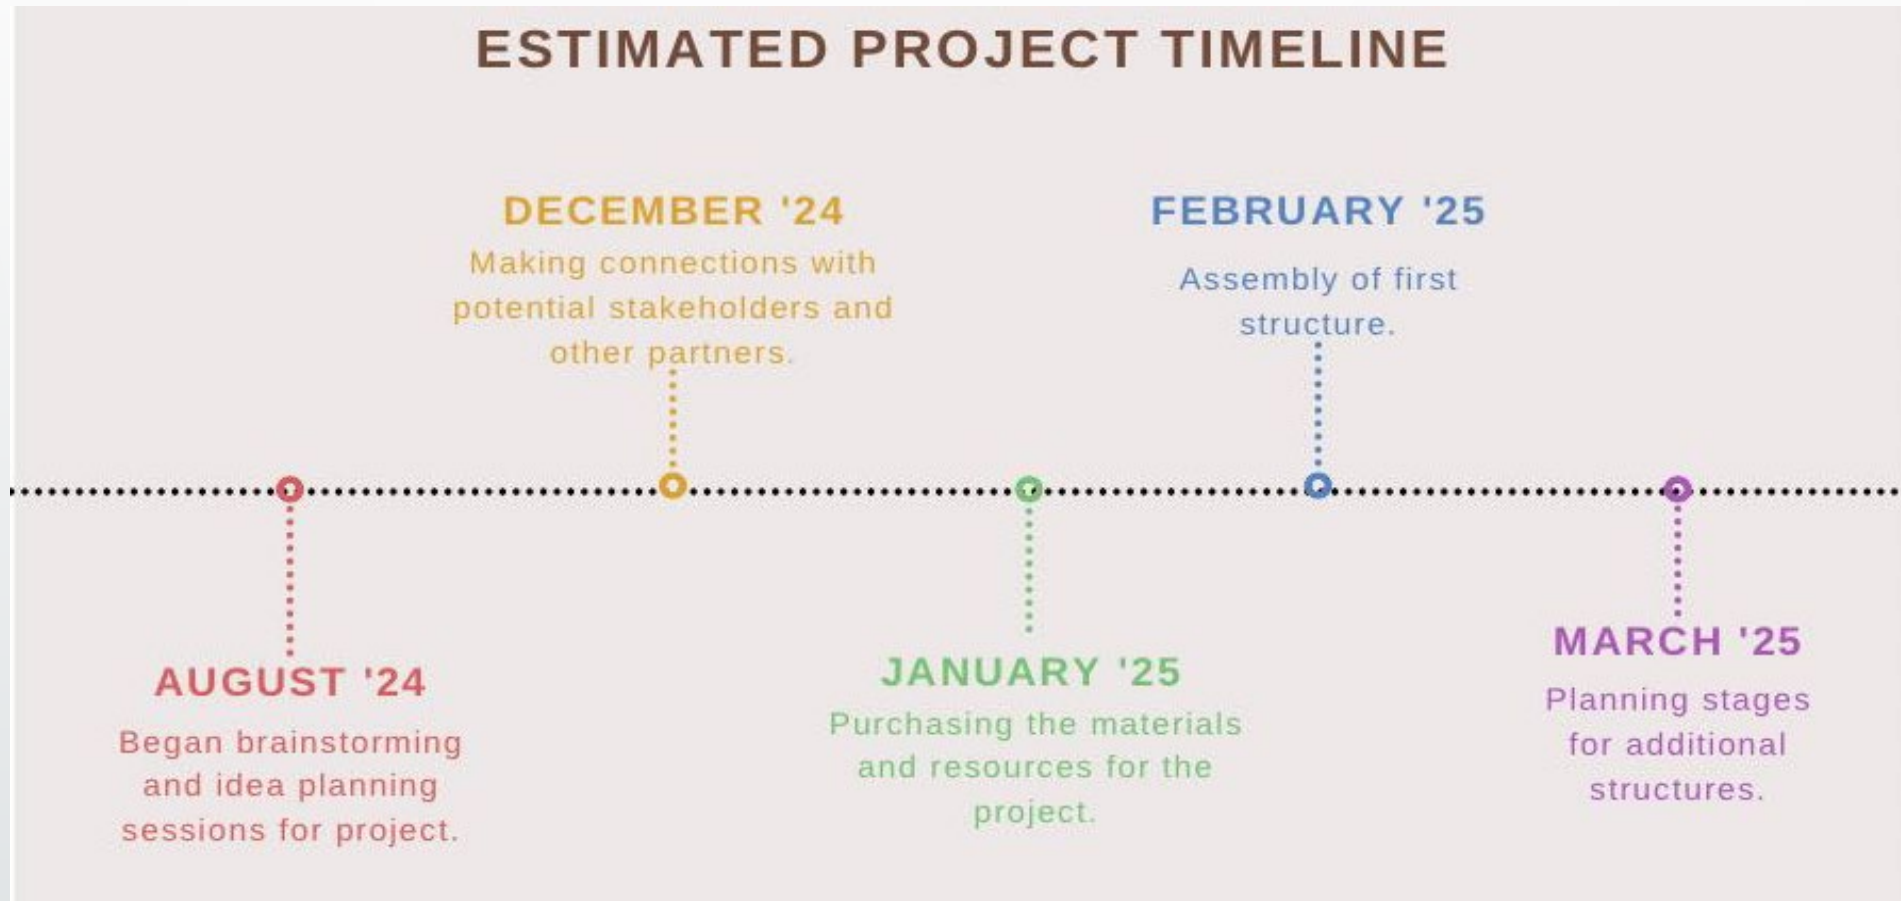

## **THOSE IN NEED**

Hygiene Items and food for those in need.
