

MCKINLEY

LIVE AND LEARN NEIGHBORHOOD

YMCA MEMBERSHIP ASSISTANCE

The new YMCA on Walnut Street will open March 10th. The McKinley Neighborhood Association will be offering financial assistance to residents within the McKinley Neighborhood. If you are interested in this opportunity please reach out to us via email: munciemckinleyneighborhood@gmail.com

COLUMBUS STREET PROJECT

The City of Muncie will begin a remodel of Columbus Street between Walnut St. and Madison St. later this year. This will create parking spaces along Columbus St. Please watch for this exciting update to our neighborhood and be aware of possible street closings.

NEIGHBORHOOD CLEANUP- MAY

Each Spring McKinley partners with the Muncie Sanitary District to provide special trash pickup for our residents. Our next cleanup will be in May, date forthcoming. You may set out any large trash items (mattresses, furniture, etc.) at the curb and it will be picked up. We also invite you to volunteer with our group! We will meet at the Daycare 8am on the Cleanup day. Bring your gloves and help us beautify our neighborhood.

WALNUT TOWNHOMES CONSTRUCTION

Cru Construction has broken ground on the N Walnut St. site across from Central High School. This project will bring seven townhomes to our neighborhood. Follow Cru Construction and McKinley Neighborhood on Facebook for updates. We hope to have CRU to a future neighborhood meeting to share more.

ARP FUNDING

The McKinley Neighborhood was awarded ARP grant funding, and we have been able to complete some great projects! Some of our neighbors received paint for their homes, we installed plantings along the retention pond fence, and we have been able to remove dangerous trees from some properties. If you have a small project that you would like to be considered for funding please reach out. Remaining funds are limited.

WE VALUE YOUR IDEAS!

As we work to make our neighborhood a quality place to live, we value your input. If you have any ideas or concerns feel free to join us for our bi-monthly meetings or reach us via email.
