CENTERPOINT SCHOLARS

No One Goes Hungry in Our Neighborhood

Join the 5:50 Alliance in the Fight Against Food Insecurity

The 5:50 Alliance, established by the 2024-2025 class of CenterPoint Scholars, believes in a simple, powerful principle: Mutual Aid. Our Free Food Fridge, located in the heart of the community at the Common Market, provides barrier-free access to fresh, healthy food for anyone in need.

Why Your Support Matters

The need in our community is constant and growing. To keep our "Beacon of Hope" stocked, we rely on neighbors like you. When you give to the 5:50 Alliance, your impact is maximized through strategic partnerships and 100% volunteer dedication.

100% Direct Impact:

Every cent of your monetary donation goes directly toward purchasing food.

Stretching the Dollar:

Our partnership with Second Harvest Food Bank allows us to buy food at a significantly lower cost than retail.

Zero Overhead:

This project is run entirely by volunteers. There are no administrative fees—just food for people who need it.

NEW! 30-Day "Fill the Crate" Challenge

A hands-on way for your office, church, or organization to make a difference.

Not all impact is monetary! We are launching a 30-Day Food Drive program to keep our pantry shelves and fridge surroundings stocked with shelf-stable essentials. Here is how it works:

The Drop-Off:

We deliver a 5:50 Alliance collection crate to your location.

The Drive:

Your team spends 30 days filling it with high-quality, non-perishable food items (canned proteins, pasta, healthy grains, and more).

The Pickup:

Once the 30 days are up, we swing by, collect the bounty, and bring it directly to the families at The Common Market.
